East and North Hertfordshire and Herts Valleys CCGs, East of England Strategic Clinical Networks and Hertfordshire County Council are hosting this event to support and enable general practices, primary care workers and commissioners to improve dementia diagnosis rates and consider what the priorities for dementia should be for 2015/16. GPs, practice managers, nurses, commissioners and service providers are encouraged to attend.

- 13:00** Registration, buffet lunch, networking and a chance to view stalls
- 14:00** Welcome and introduction
Mark Allen, Herts Valleys CCG and Prag Moodley, EN Herts CCG
- 14:05** Why should you diagnose? What can we learn from high performing areas? How to diagnose in the care home setting.
Professor Alistair Burns, National Clinical Director for Dementia
- 15:00** The Dementia Diagnosis pathway in Hertfordshire
Dr Arun Jha, HPFT
- 15:15** Question and answer session with speakers
- 15:45** Refreshments, networking and a chance to view the stalls
- 16:00** Conversation café :
What are the gaps in current services?
What's not working for you?
What are the priorities for next year to feed into strategic plans?
Facilitated by Strategic Clinical Network, Hertfordshire County Council, East and North Herts CCG and Herts Valleys CCG
- 16.45** Summary and Close
Mark Allen and Prag Moodley
- 17.00** Venue Closes
